

Saint Helen Voices

Do you enjoy singing or playing an instrument? Would you like to grow in fellowship with your Saint Helen community? All adults are invited to sing/play and share ideas on bringing our music through the doors of Saint Helen to the community around us. Join this group within our music ministry to share your love of music, offer our collective musical gifts to others, and engage with and encourage each other as we journey together in faith and music.

We gather approximately once per month to prepare for upcoming events. To receive regular updates, please register for this ensemble on the music ministry page. If you have any questions, contact Cindy Brogan at cynandchris92@gmail.com.
